

Rafael Tiedra

Mathematical physicist with various years of experience in research, IT, education and administration.

Date of birth 05.03.1976
Nationality Swiss and Spanish
Languages French (native), English and Spanish (fluent)

Skills

Research and teaching

Problem solving, research in physics and mathematics (44 scientific publications)
Scientific presentation/vulgarization (125 talks)
Classroom and online teaching

Academic and corporate administration

Management, budgets, fundraising, organisation of events and conferences
Writing and editing publications, popular science, translation, digital communication
Recruitment process, conception of curriculums, project management

Programming

Languages/skills: Python, SQL, Machine Learning, Jupyter, Git, VSCode, MATLAB, HTML, LaTeX
IT: MS Office, Linux, Windows OS

Professional experiences

2022-present **Data Scientist**, Geneva's Government - OCSIN, Switzerland.
2021-2022 **Visiting professor**, Swiss Federal Institute of Technology Lausanne, Switzerland.
2009-2022 **Associate professor**, Pontifical Catholic University, Chile.
2005-2009 **Postdoctoral researcher**, Universities of Paris-Sud and Cergy-Pontoise, France.

Studies

June 2005 **PhD in Physics**, University of Geneva.
October 2001 **BSc in Mathematics**, University of Geneva.
July 2001 **MSc in Physics**, University of Geneva.

Prizes and research grants

2009, 2013, 2017, 2021 Chilean Fondecyt grants (501'000 USD)
2009, 2014 Chilean Milenio grants (2'338'000 USD)
2011 French-Chilean ECOS-CONICYT grant
2005, 2007 Swiss NSF grants (138'000 USD)
2001 Fanny Wurth scholarship
2001 Hans Wilsdorf scholarship (Rolex)
1998, 1999, 2000, 2001 Canton of Geneva scholarships

Interests and hobbies

Science, jazz, finance, badminton
